

The **US Friends of the Soviet People** and **American Veterans Union** would like to send greetings on the **79th anniversary of Victory Over Fascism Day**, or more commonly referred to as VE Day. On this day the Fascist beast was put down as Nazi Germany surrendered to the Allies, marking an end to WWII in Europe. It was not without great losses, as the **Soviets incurred 27 million casualties** and **over 550,000 of our fellow Americans** lost their lives as well during the course of the war. We are once again seeing the resurgence of Fascism in the world in countries like the Ukraine, Israel, and the Republic of Korea, and we are seeing the emboldening of Fascist elements in the United States.

They Shall Not Pass!
Not in Spain 1937, Not in the Ukraine 2024!
